SHOW FLOOR INFO & FEATURES

Celebrating 30 Years @ The Buildings Show

Experience the full magnitude of our building design, construction and property management industries at one single event, The Buildings Show. New this year, World of Concrete Toronto Pavilion, HomeBuilder & Renovator Expo and STONEX Canada relocate and grow in the North Building of the Metro Toronto Convention Centre and Construct Canada and PM Expo maintain their position and expand in the South Building.

With the addition of STONEX Canada, dedicated to stone, terrazzo and ceramic innovations, we have enhanced the Show to provide you with an unparalleled opportunity to see first-hand a complete overview of the market!

Here's what to expect:

- **Discover new products and inspiring trends.**
- **Connect with key industry suppliers, experts and peers.**
- **Learn valuable insights affecting tomorrow's built environment.**
- **Lead your team effectively through educational programming tailored to your interests.**

Transform. Build. Innovate.

Take advantage of our vast learning and networking opportunities by planning your time online, in advance:

- Our expanded show floors now offer more live product demonstrations, interactive exhibits and dynamic networking spaces.
- Expert-led seminars, panels and roundtables are strategically located in both the North and South buildings to maximize your time and experience.

Learn. Lead. Empower.

Staying ahead of the competition in a rapidly evolving industry is a challenge. Our expert-led seminars, panels and roundtables provide you with opportunities to expand your knowledge base, prepare yourself to adopt industry best practices and save yourself time and money while earning continuing education credits.

Stay current within your industry and be inspired to lead your projects to success!

Recommended Roundtables, Summits & Keynotes

International Architectural Roundtable - Architectural Design: Shaping the Imagination
SS101 • Wed. Nov. 28 • 8 am - 10 am
$105 before Nov. 9/$115 after Nov. 9 • South Building

What is the future of architectural design? What are the guiding principles that are shifting design-thinking? Join leading international architects as they discuss the inspiration and influences of their latest projects.

Ask the Experts Breakfast: A Discussion on Concrete
SS105 & SS106 • Wed. Nov. 28 & Thurs. Nov. 29 • 7 am - 8:30 am
$105 before Nov. 9/$115 after Nov. 9 • South Building

Get answers to your toughest concrete challenges from industry experts in an intimate and open setting. Bring your challenges associated with production, construction, repair, and maintenance on concrete projects. Hosted by BASF Corporation, breakfast is included.

Canada's National Housing Strategy (NHS): Leading to a New Generation of Sustainable and Accessible Housing (CMHC)
SN108 • Wed. Nov. 28 • 8 am - 12 pm
$105 before Nov. 9/$115 after Nov. 9 • North Building

The National Housing Strategy is a 10-year, $40-billion plan that will give more Canadians a place to call home. Learn how you can be part of delivering on this vision – through financial incentives, research-based insights and advice from experts who have implemented sustainable and accessible housing.

Property Management Executive Roundtable - PropTech: Transforming the CRE Industry Through Technology & Innovation
SS103 • Thurs. Nov. 29 • 8 am - 10 am
$105 before Nov. 9/$115 after Nov. 9 • South Building

How is PropTech transforming buildings and how they operate through technology & innovation? How can asset and property managers use these innovative strategies to improve their bottom line?

WEDNESDAY NOVEMBER 28

W & T: 60-90 minute Topic-Specific Workshops are $50 in advance; $55 after Nov. 9.

S: 2-3 hours in-depth Super Seminars are $105 in advance; $115 after Nov. 9.

P: 2-3 hours Professional Development Tutorials led by expert faculty are $105 in advance; $115 after Nov. 9.

**Codes including S are in the South Building (ie. WS). Codes including N are in the North Building (ie. WN).*

Canada's National Housing Strategy (NHS): Leading to a New Generation of Sustainable and Accessible Housing

SS108 · Wed. Nov. 28
$105 in advance/$115 after Nov. 9 · North Building

The National Housing Strategy is a 10-year, $40-billion plan that will give more Canadians a place to call home. It promotes diverse communities and is creating a new generation of housing that is sustainable, accessible, mixed-income, mixed-use and fully integrated into the community – close to transit, close to work, and close to public services. Learn how you can be part of delivering on this vision – through financial incentives, research-based insights and advice from experts who have implemented sustainable and accessible housing.

CMHC SCHL

THURSDAY NOVEMBER 29

A portion of the seminar registration fees will go to the Red Door Family Shelter to provide services for families and individuals who need safe and supportive emergency shelter.

Red Door FAMILY SHELTER
