What's New for 2018?

We are constantly looking for ways to innovate to ensure we're providing our attendees, exhibitors, sponsors and suppliers the best possible experience. New this year, STONEX Canada will join World of Concrete Pavilion and HomeBuilder & Renovator Expo in the North building and Construct Canada and PM Expo will remain in the South building.

The expansion will offer lucrative opportunities for businesses to grow their client base through increased market share, engaging and interactive exhibits, new designated networking spaces and meeting lounges and new product showcases

including the Discovery District, Sustainable Space and demonstration areas.
