

HOMEBUILDER & RENOVATOR EXPO

Boost Your Reach

Unique Opportunities to Amplify Your Brand, Showcase Your Latest Products and Share Your Expertise

GET READY for some big changes in 2018 as STONEX Canada joins World of Concrete Pavilion and HomeBuilder & Renovator Expo in the North Building and Construct Canada and PM Expo expand in the South. All shows combined allows you to reach customers of the entire building, construction and real estate industry at one single event, The Buildings Show.

Through this new and exciting expansion, we are strengthening our offering and are providing an enhanced and targeted experience for our attendees, exhibitors and sponsors, before, during and after the Show. Connect with this expanded audience of multidisciplinary professionals and explore new opportunities to showcase your brand.

Show Guide Advertising

expo

Increase your exposure and drive traffic to your booth by advertising in the Show Guide available to 30,000 attendees in both the North and South Buildings. Attendees refer to the Show Guide throughout the year, making it a great industry resource:
