TORONTO: A MEETING PLACE OF STRENGTH AND DIVERSITY

Greater Toronto Area is the most culturally and economically diverse region in Canada with a population over 6.2 million. Toronto is the commercial capital and the centre of trade for Canada. Toronto's population surpassed Chicago as the fourth largest city across North America. The Greater Toronto Area is home to many leading national and international financial, architectural, engineering and building companies. The City of Toronto contributes nearly 10% of Canada's annual GDP.

The diverse industry sector base makes Toronto a resilient and economically strong city during economic downturns which makes it a preferred destination for investors. Toronto-based businesses export over \$70 billion in goods and services globally. Canadian banks have been ranked the world's most stable for six straight years by the World Economic Forum. Toronto ranks as one of the most livable cities in the world. Toronto has ranked highly in Quality of Living which makes it easy for the over 216,000 businesses to operate, attract and retain its highly skilled, multilingual workforce of 1.4 million.

- #1 world's most tax-competitive major city (KPMG Competitive Alternatives 2014: Focus on Tax)
- #1 safest city in North America and #8 safest city in the world by Economist Intelligence Unit
- #3 largest stock exchange in North America (Toronto Stock Exchange)
- #3 world's best major metropolitan area in which to live and work (Cities of Opportunities Report, PwC, 2016)
- #4 best city to live in the world by the Economist Intelligence Unit in 2016
- #4 top financial centres of the world by the Global Fintech Centres of the Future
- One of the top 5 cities in the world identified as "Cities of the Future" by fDI Magazine
- #8 greenest cities in the world by Treepedia
- #9 in Cities with the Most Skyscrapers and #19 of cities by Skyline Ranking world-wide by Emporis
- #10 ranking in the World's Best City Brands report in 2017
- Headquarters for 5 of Canada's largest banks as well as foreign financial institution global offices are located in Toronto
- The Greater Toronto Area (GTA) is projected to be the fastest growing region of Ontario, with its population increasing by over 2.8 million, or 42.9 per cent, to reach almost 9.5 million by 2041!

SUSTAINABLE STRATEGIES, SOLUTIONS, DESIGN AND ARCHITECTURE IN AN IN-DEPTH EDUCATIONAL SEMINAR PROGRAM

The Buildings Show will include an expanded educational and informative seminar program that will provide market intelligence for global markets and delve into best practices and innovative products, systems and technologies. The seminars will be held on Wednesday, November 29 and Thursday, November 30 at The Buildings Show.

THE GLOBAL DESIGN COMMUNITY COMES AT IIDEXCANADA @ THE BUILDINGS SHOW

In 2017, International Designers and Architects will have a chance to visit IIDEXCanada @ The Buildings Show on a travel subsidy program which is part of the Global Opportunities for Associations (GOA) program. GOA is supported by Global Affairs Canada, Interior Designers of Canada (IDC) and the Royal Architectural Institute of Canada (RAIC).

The Canada Designs program provides an opportunity for international buyers in interior design, architecture and facility management located outside of Canada to attend the Show who specialize primarily in the area of commercial and institutional design and architecture including education, healthcare, accessibility, wellness, sustainability and workplace design. Up to two persons per company may apply; one application form per company may be submitted. Attendance at IIDEXCanada and participation in specific program activities is mandatory.

REGISTRATION FORM FOR INTERNATIONAL VISITORS

Travel Visa Information

We recommend starting your registration and visa process early. Consult with the Canadian Embassy in your country and their website for their current visa application requirements. When applying for your Visa, include evidence of previous trips to Canada and include proof of intent of returning to your country. Apply for your visa with all required documents.

To facilitate your visit, contact the Trade Officer at the Canadian Consulate office in your country to discuss potential trade mission opportunities.

If your visa application requires more than 6 weeks, please note we will require up to 10 days to process the Letter of Invitation in a timely manner. Do not travel to Canada, or make travel arrangements, without proper entry documentation.

The \$50 Cancellation Policy per registration is in effect.

Deadline to Register:

Registration Deadline: November 17, 2017

Cancellation Policy

Refunds will be provided prior to November 17, 2017. A fee of \$50 will be applied for the processing and administration of each registration refund. Proof of visa rejection is required. We regret that refunds and/or credits cannot be offered after that date. However, delegate substitutions are permitted up to and including the day of the event.

Hotel Information

For the benefit of out-of-town guests and those who require accommodations, preferred rates at hotels in close proximity to the Metro Toronto Convention Centre will be made available through the website.

Further information is available online at www.thebuildingsshow.com www.constructcanada.com and www.iidexcanada.com

We would encourage you to contact the trade commissioner responsible for building construction products at the Canadian Consulate, Canadian Embassy, or the Canadian High Commission in your country. To contact the Canadian trade commissioner nearest you, please refer to www.infoexport.gc.ca. For more information visit www.constructcanada.com.
