BUILDING ON A SOLID FOUNDATION

About

STONEX Canada is supported by Terrazzo Tile & Marble Association Of Canada (TTMAC) and National Stone Institute (NSI) the two largest industry associations in North America. This show brings together leading manufacturers, equipment suppliers, distributors, retailers, importers, exporters, distributors, buyers, and building professionals.

Industry leaders come to network, learn and share the latest in design and innovation for products, technologies, applications and best practices. The focus will be on stone, terrazzo, tile, ceramics, tools & equipment, machinery, kitchen & bath, adhesives & sealants, cleaning & restoration, and exterior applications.

STONEX Canada is a three day trade show with educational seminars and demonstrations.
