The Buildings Show provides an unforgettable experience as North America's largest event for products, services, educational programming and professional networking for the design, construction and property management communities.

New in 2019, we introduce Buildings Connect, a dynamic PropTech showcase, presented by Colliers PropTech Accelerator powered by Techstars. Explore technology innovations and connect with transformation influencers at Construct Canada and PM Expo in the South Building and HomeBuilder & Renovator Expo and World of Concrete Toronto Pavilion in the North Building.
