Exhibitor Essentials #1

Dear Exhibitor,

We are so excited to have you join us for Buildings Week from November 30 - December 4, 2020, as we bring together The Buildings Show and BUILD EX Alberta to create this year's largest business to business platform for the holistic building community.

We have just launched the [Exhibitor Manual](#) which will help prepare you for Buildings Week this year, with how-to videos and useful tips on using the Virtual Platform.

Register your Colleagues and Access your Virtual Booth

You will receive a registration link from MicroSpec to register your colleagues on the Buildings Week platform. Once you receive this, you should register by November 18 (this includes all colleagues joining virtually).

A link to fill in your Virtual Booth profile will be sent starting mid-October.

Find more details about registration [HERE](#).

Unauthorized Suppliers

Beware of [unauthorized suppliers](#) claiming to be with the show. Only official show suppliers receive exhibitor contact information from Show Management authorizing them to contact you.

Please reach out with any other questions you may have!

Warm regards,
